

UniFirst Cleaning Solution Dispensing Service

 Save an average of 90% or more on cleaning solutions.

Save 90% or more on com

Is your business using ready-to-use facility cleaning solutions, cleaning solution concentrates, or a "top-off" solution dispensing service?

Then it's time to switch to UniFirst's Cleaning Solution Dispensing Service for BIG savings on the most commonly used cleaning supplies for your commercial facility. Compared to purchasing ready-to-use cleaning solutions, you could save 90% or more!

Precise concentrate dilution for cost savings

The secret to dramatic savings in cleaning products is the proper use of concentrates. When you purchase ready-to-use cleaning supplies, you're paying for 95% water and elaborate packaging. And when you "free pour" concentrates to mix your own cleaning solutions, it's like pouring money down the drain because you use more than is needed. With the UniFirst dilution control system, you get perfectly diluted cleaning solutions, every time, with the simple touch of a button.

Other dispensing systems place the metering tip inside the dispenser itself, where it gets clogged over time, negatively affecting your dilutions. Our patented concentrate refills come with a fresh, built-in metering tip to ensure precise, consistent dilution.

Easy-to-use, durable system

Wall Mount Dispenser

Accurately dilute and dispense two high-performance concentrates with the push of a button. Easily connect two units together to create a four-product dispenser.

99SR

1. Training guide/information wall chart
2. Easily fill spray bottles, mop buckets, auto scrubbers, etc.
3. Correct dilution with the touch of a button prevents wasteful "glug glug" pouring
4. Locking cabinet
5. Concentrate mixes automatically with water in dispenser
6. Colour- and number-coded containers for simplified training
7. Coordinated OSHA-compliant spray bottles
8. Stop wasting 50% of your concentrated cleaning solutions

(Multi-Shine concentrate)

Less than 50 cents a bottle – Just one of our Multi-Shine concentrates makes 83+ litres of ready-to-use glass and surface cleaner!

See back cover for actual savings.

Pay only for what you use

Unlike other less economical or lower quality dilution control services, UniFirst's is not a "top-off" service. Our refills are precisely measured and controlled so your invoices reflect exactly what was delivered. You get reliable, need-based delivery of your concentrated refill cartridges when you need them, and you only pay for what you use. With the UniFirst dilution control service, you always have needed supplies on hand to keep your entire facility clean.

Designed for simplicity and safety

Our system is safe and easy to operate. With one simple water hookup, and our installation help, you'll be ready to mix perfectly diluted cleaning solutions. Plus, colour and number coding of concentrated refill cartridges makes selecting the right cleaning solution for each application a breeze. Sealed refills and a closed delivery system reduce risks of accidental spills.

Commercial cleaning solutions.

Fresh metering tip in every refill prevents system clogging.

Heavy-Duty Degreaser System

Remove grease and oil from a variety of surfaces with the Fury Degreaser, a non-corrosive heavy-duty degreaser designed for anywhere that oil and grease accumulates.

System features one-button dilution control and bag-in-box refill design for easy, economical use.

One-Button Degreaser Dilution Control System 99TK

Fury Degreaser

99TL 18.9 L bag-in-box

99TP 208 L drum (drop ship only)

99UE 1,040.9 L tote

Rapid Fill Dispenser

99TV for 208 L drum

Sink Dilution Station

Automatically dilutes and dispenses super-concentrated suds and sanitizer cleaning products into three basin sinks from a compact, durable metal-housing design, with greater reliability than the traditional pour method.

Three-Basin Sink Dispenser 99TQ

Power Suds

99TR 3.7 L

Sanitizer

99TT 3.7 L

Test Strips

Measures the concentration of quaternary sanitizers.

99TW Test strip kit; 15 ft./roll

Drain Maintainer

A multi-purpose biological digester/odour counteractant. Its blend of four different bacillus strains release enzymes to break down organic debris. Use as a drain maintainer and grease trap additive. Also great for urine and other malodours.

99TU 18.9 L

Portable Spray/Foam Guns

U-Fill Sprayer

Portable spraying gun goes anywhere and allows quick and easy cleaning using properly diluted and dispensed cleaning chemicals.

99TH

U-Fill Foamer

Portable foaming gun allows quick and easy cleaning of shower rooms with effective soap scum and mineral deposit removal.

99TA

Easy-Fill Gun

Portable gun allows you to prepare correctly diluted cleaning solutions from super concentrates. Fill mop buckets, auto scrubbers, bottles, and more.

99SS

Colour- and number-coded spray bottles and labels also available.
