

AGRICULTURE, FARMING, AND GREENHOUSE

We always deliver  
so you can too.

UniFirst

Creating and maintaining your staff's branded uniform program in a consistent, cohesive way is challenging. This is especially true in the agriculture and farming industry, where a variety of garments and styles are often required to serve the distinct needs of different departments. That's where UniFirst comes in.

Our well-designed and managed work apparel programs not only deliver a more professional employee image; they can also help focus your needs, budget, and time with smart options that work for your particular lines of business. Whether it's hygienic laundering solutions, clothing that optimizes comfort and mobility, or image-enhancing business essentials like performance polos and button-down shirts, our managed uniform rental programs offer the right workwear options for employees in all areas of your business. Plus, our large selection and variety of fabric choices are sure to match your brand and performance needs. To top it all off, we can also deliver on a customized facility services program to help keep your workplace clean and safe while creating a healthier, more attractive work environment.

# Cost-effective solutions for all of your workwear needs

UniFirst maintains garment functionality and enhances your professional business image with our managed apparel rental programs by combining expert hygienic laundering with specialized uniform services.

Our value-based, professionally managed rental program means employees don't have to worry about cleaning and maintaining their uniforms thanks to our weekly pickup and delivery. Plus, we assure that clean, maintained uniforms are always available with our professional mending and repair services and as-needed garment replacements.

**You have a lot of responsibilities, so don't let staff uniforms add to your stress. [Trust UniFirst](#) to keep your team in professional-looking uniforms that enhance your business image and allow you to focus on what you do best—delivering great service. You always deliver for your customers. That's why we always deliver for you.**

# Facility services

Our facility service programs help you win the battle of positive perceptions with your customers, employees, and stakeholders. With our regularly scheduled services, we eliminate the hassle and expense of purchasing, stocking, laundering, and maintaining supplies. We deliver what you need, when you need it to lower maintenance costs, while improving overall hygiene and safety.

## **Floor Mats**

All UniFirst-made floor mats, from decorative entrance and photo/logo/message mats to nitrile rubber scraper and "wet area" mats, are designed for heavy foot traffic and trap and hold dirt, dust, and moisture better than the alternatives. With regularly scheduled floor mat service, soiled mats are picked up and replaced with professionally cleaned ones.

## **Microfiber Mops and Wipers**

Our microfiber mops, dusters, and scrubbers are ideal for cleaning hard surfaces. Use them wet or dry, and clean faster with less water and chemicals.

## **Wet and Dry Mops**

UniFirst mop services are designed to make cleaning easier and more economical for businesses of all sizes and traffic volumes. We take care of all the dirty work, including the laundering and regular replacement of soiled mops with fresh products.

## **Towels and Cloths**

Our regular laundering and inventory-management services ensure you always have fresh, high-quality cleaning cloths on hand when you need them. Disposable wipers are also available.

## **Cleaning and Disinfecting Solutions**

You can save up to 90% or more in product costs when compared to purchasing ready-to-use cleaning and disinfecting solutions. Unlike mixing "free pour" concentrates, our wall dispenser and "one-shot" systems accurately dilute and dispense the high-performance solutions you need with ease and with no wasted concentrates. PURELL® Surface Sanitizer and Disinfectant Spray System is also available.

### **Hand Care, Soaps, and Sanitizers**

UniFirst handwashing and skin care products, which include those from GOJO®, are formulated to clean, kill germs, and keep skin soft and healthy—even with frequent use—and we have environmentally friendly “green” options available too. Each product is available with our stylish dispensing systems, featuring cost-saving portion controls. Your UniFirst representative can recommend the products that will deliver the best results for you.

### **Paper Towels and Toilet Paper**

To provide sustainable restroom cleanliness and hygiene solutions, we supply TORK® paper towels and toilet paper, which carry Green Seal and ECOLOGO® certifications and are manufactured from base paper that is 100% recycled. Portion-controlled paper dispensing systems reduce waste and come in traditional and “touchless” options.

### **Air Fresheners**

We offer environmentally friendly air freshener system options that neutralize odors at the molecular level, eliminating unnecessary chemical “masking” that could affect air quality. All of our odor-control products meet stringent clean air standards and dispense fragrance in accordance with guidelines established by the International Fragrance Association to protect the environment and human health.

### **Ancillary Products**

To help safeguard your staff on the job, we also offer a selection of personal protective equipment (PPE), including latex and nitrile gloves, safety glasses, facemasks, and more. High-quality cleaning cloths, disposable wipers, and other ancillary products also available.

**We offer a complete line of facility products and services, safety products, and PPE not shown. Just ask your UniFirst representative about other facility service options.**

**UniClean**  
Cleanroom Services

**Need specialized cleanroom services? Ask about our UniClean subsidiary.**

- Sterile and non-sterile garment services for cleanrooms and other “ultra-clean” work environments
- ISO 3 and ISO 4 processing facilities, national coverage
- Direct sale of consumable products (tacky mats, bouffant caps, wipers, etc.)
- Cleanroom facility equipment including evaluation, layout, and installation
- Full line of Arc-rated, Flame Resistant cleanroom coverings

## Trust UniFirst for image-enhancing workwear and facility services

More than 300,000 business customers in virtually every industry across North America partner with us for image-enhancing uniforms and workwear, ranging from traditional and industrial protective wear to corporate casual and executive attire.

**And with our cost-effective, full-service rental programs, you never have to worry about laundering, maintenance, replacements, or maintaining product inventories.**

We also provide and service floorcare and restroom products including floor mats, mops, soaps, air fresheners, paper items, and more. To see all of our product and service offerings, ask your UniFirst representative for copies of our Uniform Rental and Facility Services catalogs, or visit [UniFirst.com/catalogs](http://UniFirst.com/catalogs).
